ALP ZFX SERIES PORTABLE OZONE UNITS Get rid of virus, bacteria, bad odor and mold! You can use ALP ZFX series portable devices in all indoor areas such as hospitals, pharmacies, clinics, shopping malls, plazas, workshops, markets, offices, restaurants, houses, work places, kindergartens, schools, sanctuaries, fitness centers, hair dressers, hair salons, soup kitchens, factories, breeding farms and means of transport. Did you know that ozone has a destructive effect on all known virus, bacteria, fungus, yeast and mold? It has been foreseen through various international academic researches that ozone can be used to destroy bacteria and virus by its disinfectant effect. Ozone gas is far stronger than any other disinfection methods. In an area where ozone is applied, all unreachable surfaces including door knobs, window and wardrobe handles, chair and sofa surfaces are purified from virus, bacteria and similar microorganisms.
